**RECOMMENDATION LETTER**

To whom it may concern,

It is my pleasure to recommend Kasia Peleszuk, her performance working as a consultant for Samsa Film proved that she will be a valuable addition to any company.

Kasia Peleszuk worked for Samsa Film in the first half of 2016, helping to set up our Virtual Reality and Augmented Reality department "Realab".

Set up in 1986, Samsa Film is one of Luxembourg's most prolific production company. Over the years, it has been involved in several international co-productions with In Good Company (Germany), Bac Films (France), Liaison Cinématographique (France), Artémis Productions (Belgium) and Fado Filmes (Portugal), among others.

Working with Kasia was a pleasure. She demonstrated unflagging energy and enthusiasm throughout, even in an on-site environment that was physically demanding, chaotic, and involved long days and nights.

Had Kasia not been moving out of Luxembourg, I would not have hesitated to continue working with her. I would strongly recommend her as an addition to any creative team.

If you would like any further information, please do not hesitate to contact me.
