To Whom it may concern,

It is a pleasure to write a letter of recommendation for Katarzyna Peleszuk. Katarzyna was an event correspondant for us and she was also in charge of recruiting, training, and managing the correspondant team on various events.

Katarzyna stands head and shoulders over most, not only in demonstrated initiative, intelligence and creativity, but also in her ability to function as a leading member of the team.

Her intellect is matched by her ability to communicate clearly, and to project an open , friendly persona to others regardless of their level of expertise. Katarzyna works well under pressure and has the ability to adapt to various situations.

Finally, Katarzyna's excellent communication skills, positive outlook and pleasing personality enhance her natural qualities. Her willingness to accept challenges and listen to input enable her to perform at the highest level.

I would defenitely recommend Katarzyna and I have no doubt she will prove a valuable asset to you and your organization.

**Best regards**
